EXCEPTIONAL CHANGE OF CLASS SCHEDULE
(Fall and Spring semesters only)

Deadline: As soon as possible following the event(s) leading to this request, but no later than 4:00 pm on the last day of instruction.

Name __________________________________________SID ____________________________

Please read carefully: College policy requires students to finalize their course schedules by established deadlines. A schedule change after the deadline requires an exception to the rules by the Dean and are considered only in the case of extenuating circumstances.

Extenuating circumstances: Events or circumstances beyond your control that had a significant impact on you that 1) prevented you from acting by the relevant deadline or 2) arose unexpectedly after the deadline. Extenuating circumstances do not include 1) not needing or wanting a class, 2) not doing well in a class, 3) not knowing you were still enrolled in a class, 4) not knowing the deadline or procedure for changing your schedule, 5) forgetting to make an intended change, 6) not knowing how well you were doing by the deadline, 7) having too heavy a course load, 8) wishing to improve your GPA.

Unexplained or excessive delay between discovering the necessity of filing this petition and submitting it may be grounds for denial. Please include your full name and SID number on each page. Incomplete petitions will be denied.
