

FILM PROGRAM
Application for Film H195: Senior Honors Thesis

To be eligible for admissions to the Honors program in Film, students must have attained senior standing with a grade-point average of 3.3 or higher in all UC Berkeley coursework, and a 3.5 grade-point average or higher in courses in the major taken at UC Berkeley. Students in the honors program will enroll in Film H195 for four units, and complete a senior honors thesis. It is expected that the thesis will be a substantial piece of writing on moving-image criticism, theory, or history. The production of a film or writing of a screenplay may be used as part of the preparation of the thesis and submitted as documentation or as an example. **The thesis should be of sufficient depth and quality to merit an A range grade.**

To The Thesis Writer: Please complete this form and bring it to your prospective instructor with your most recent transcript. A bear facts grade printout will be sufficient. Obtain your thesis sponsor's signature, and return the form to the major advisor no later than the second week of classes. You will then receive a course control number and class entry code that will allow you to add this course to your study list.

Please make copies of the completed form for yourself and your thesis sponsor. The original will be retained by the undergraduate advisor.

Attach a copy of the proposal and the grade printout.
